PROFILE ET OBJECTIVE

Final-year engineering student at ESTACA (Automotive track), seeking an end-of-studies internship starting late February 2027. With strong skills in design & simulation (SolidWorks, ANSYS) and in developing optimisation tools (VBA, Python), I aim to contribute to high-value technical projects.

WORK EXPERIENCE

MAY – AUG 2026

Assistant Engineer Internship: Process Improvement | Smartech PLV (RC Group) – Paris, FRANCE

- Developed Excel VBA tools (enhanced existing documents, interactive cross-department tracking dashboards) to optimise logistics processes
- Designed an application integrating inventory management and customer order tracking

JUNE – JULY 2025

International Internship in a Hotel-Restaurant | Ystad Holiday Houses – Ystad, SUÈDE

- Contributed to facility maintenance, food service and guest reception

JULY 2024

Entry-Level Internship | Neubauer (Jaguar Land Rover dealership) – St-Germain-en-Laye, France

- Performed maintenance, diagnostic and functional check operation

JULY 2023

Quality Control Internship | Alpine, *Manufacture Jean Rédélé* – Dieppe, France

- Carried out product quality inspections on the Alpine A110 production line

EDUCATION

SEPT 2026 – FEB 2027

University Semester – Northwestern Polytechnical University (NPU) | Xi'an, CHINE

Exchange semester in aerospace engineering: aerodynamics, wind tunnel testing and study of aerospace composite materials.

2022 – 2027

ESTACA | Engineering School (Aeronautics, Automotive, Naval and Railway) – Laval, FRANCE

Master's-level Engineering Degree (MEng), final year, Automotive major

SKILLS

- **Design & Simulation:** SolidWorks, 3DEXPERIENCE (CAO) – ANSYS Fluent (CFD)
- **Programming & Data Analysis:** Python, C, C++, MATLAB / Simulink, Excel VBA
- **Project Management:** Led the design team of a 100% electric motorcycle and served as treasurer of the Mototech student club: budget, schedule and deadline monitoring

LANGUAGES

- **English:** B2 (TOEIC score : 920)
- **German :** A2 (Goethe- Zertifikat)
- **Mandarin :** Beginner

INTERESTS

- **Football :** regional league
- **Judo :** blue belt
- **Music theory**

SOFT SKILLS

- Project management
- Team coordination
- Autonomy & adaptability
